25X1D The facility consists of an air warning V-beam radar and a separate, secured support area. The support area contains one large administration building and seven support buildings.

A search of photography covering a search area within 10 nautical miles of 11-12N 104-38E was conducted for additional electronics facilities; none were observed. [REDACTED], the only available high-resolution photography, covered only the northern half of the search area.
